Journey to Tomorrow

Celebrate the joyous company of friends and family under the radiant moonlight this Mid-Autumn Festival.

InterContinental Kuala Lumpur presents the 2023 Mid-Autumn Collection, themed 'The Moonlit Garden', a perfect centrepiece for the festivities with an auspicious assortment of artisanal mooncakes from the award-winning Tao Chinese Cuisine.

On our **Journey to Tomorrow**, we want to stay true to our commitment to create a constructive impact on the environment and community at large. With that in mind, **sustainability takes centre stage** in our 2023 Mid-Autumn collection, with the **Moonlit Blossoms & the Moonlit Waters**.

Purchases of the **LUXE** box also come with a complimentary Furoshiki fabric handcrafted by **SURI INSPIRASI** using our hotel's linen, keeping textile waste out of landfills while giving back to the community.

CUISINE 桃

Both the 'Moonlit Waters' and 'Moonlit Blossoms' boxes are crafted entirely out of natural bamboo. These boxes are adorned with delicate carvings of koi fish; paying homage to the hotel's very own lush koi garden, as well as cherry blossom motifs; a symbol of hope & renewal, which can be spotted on the illuminated floor-to-ceiling glass panels gracing the entrance to Tao.

The intricate etchings and imagery on the boxes symbolise longevity and responsible choices to celebrate our environment, so that we may share the radiance of not only the moonlit beauty of the occasion, but also the value of environmental friendliness with the generations yet to come.

The jewels this year are the **Musang King Durian Snow Skin with Oats** - made with the creamy flesh of authentic premium Musang King durian, **Baked Almond & Purple Sweet Potato Skin with Pandan Paste & Salted Mungbean** - an electrifying fusion of diverse flavours, rich in natural antioxidants, and the crowd favourite, **Butterfly Pea Flower Snow Skin with Bird's Nest & White Lotus Paste** - high in collagen for skin rejuvenation.
